VISHNUVARDHANA CHARY SRIRAMOJU

Product Designer | AI Product & UX

Hanamkonda, Telangana | +91 6301628716 | vishnuvardhana0402@gmail.com | behance.net/vishnuvsriramo

PROFILE

Product Designer with 2+ years of experience designing AI-driven products, SaaS experiences, and complex digital workflows. Experienced in AI prediction, intent-based interaction, AI agents, conversational AI, voice interaction, adaptive memory, context-aware workflows, and intelligent browser experiences. Strong foundation in user research, information architecture, interaction design, prototyping, design systems, and end-to-end product design.

EXPERIENCE

Product Designer | Huemn Interactive Private Limited, Hyderabad

Aug 2025 – Present

VE.AI — AI-powered productivity & intelligent workflow platform

- Collaborated on end-to-end product design for **VE.AI**, translating complex AI capabilities into intuitive and scalable user experiences.
- Designed **AI prediction** and **intent-based experiences** that understand context and anticipate relevant next actions.
- Designed **AI agent experiences** for task automation, contextual actions, and human–AI collaboration.
- Designed **conversational interfaces** for natural-language interaction and AI-assisted workflows.
- Designed **Intent Email** experiences using AI to understand intent and assist with email creation and actions.
- Designed **voice and Speech-to-Text interactions** combining voice input, contextual understanding, and AI-powered actions.
- Designed **Adaptive Memory** and **context-aware experiences** for more relevant AI assistance over time.
- Designed **AI Browser** experiences that adapt to user context and organize relevant workflows.
- Created **high-fidelity prototypes** covering AI interactions, system states, prompts, and intelligent workflows.
- Developed **reusable UI components** and **interaction patterns** for consistency and scalability.
- Collaborated with **product and engineering teams** to turn complex AI capabilities into production-ready experiences.

UI/UX Designer | Incor Lake City Projects Private Limited

Sep 2023 – Jul 2025

- Created digital creatives, promotional posters, and marketing banners for various business and communication needs.
- Designed visually engaging layouts while maintaining brand consistency across different creative assets.
- Worked on typography, composition, imagery, and visual hierarchy to communicate messages clearly.
- Adapted creative designs into different sizes and formats for digital and promotional use.
- Collaborated with internal teams to understand creative requirements and deliver designs within timelines.

SELECTED PROJECTS

VE.AI — AI-Powered Productivity Platform: Designed experiences across AI prediction, intent recognition, AI agents, conversational interfaces, voice interaction, adaptive memory, and context-aware workflows.

WanderWise — Travel Application: Designed a one-stop travel app with user flows, wireframes, UI screens, and interactive prototypes.

Tata Neu — Redesign Concept: Studied real user reviews to identify frustrations and translated findings into UX and UI improvements.

SKILLS

AI Product Design

AI Product Design · Human–AI Interaction · AI Agents · Agentic UX · Generative AI · Conversational AI · LLM UX · AI Workflows · Predictive UX · Intent-Based UX · Context-Aware UX · Voice UX

Product & UX

End-to-End Product Design · User Research · Personas · Journey Mapping · Information Architecture · User Flows · Wireframing · Interaction Design · Prototyping · Usability Testing · Design Thinking

UI & Visual Design

Visual Design · Typography · Color Theory · Responsive Design · Mobile-First Design · Accessibility/WCAG · Design Systems · Component Libraries

Tools

Figma · FigJam · Framer · ChatGPT · Claude · Adobe Photoshop

EDUCATION

B.Tech — Computer Science & Engineering 2019 – 2023

Vaagdevi Engineering College, Warangal, Telangana

CERTIFICATIONS

- UX Enthusiast Badge
- Mobile Application Design Certificate
- Designing for B2B Product Certificate
- Certificate of Proficiency in UI/UX
